As far as I have been able to investigate, I have found that the Administration journals and Administration politicians have grossly slandered the people of this State. The party press, on both sides, is very bitter in political controversy, but the Republican papers are just as denunciatory of their opponents as those published in theinterest of the Democratic party, and it is not true that the latter have advised or do now advise, their friends to resort to intimidation or violence. The authors of some of these slanders that are destroying the credit of the State, and driving away immigrants, live in this city, and I don't wonder that they are treated with contempt, They say they are 'ostracised,' but they pass through the streets without molestation or insuit.
